977WL Withstands Higher Wind Loads
Low Maintenance
Minimal Back Room Requirements

Commercial Applications
Motor Operator Applications
Rust Resistant
30/25 Yr Paint
3 Yr Material/Craftsmanship
10 Yr Spring Warranties

Dead-axle design with torque-tube assembly allows the door to operate with ease.

As wind blows against the 977WL, the curtain's windlocks engage with the door guide for a strong interlocking grip. This grip keeps the curtain securely in the guide.

Saddle with tensioner device makes adjusting the door tension easier, safer, and quicker than clamp and bracket designs.

Chain hoist mounts below bracket for space-saving installation. 8:1 reduced-drive allows for smooth operation.

The SpaceGuard latch design resists wrenching and prying for superior security and safety. An additional safeguard is the anti-padlock open feature. Accommodates Trac-Rite's optional SpaceGuard cylinder lock for over-locking capability.

Problem Solved

Trac-Rite's model 977 was designed for performance. With a standard wind rating of 140 mph for 11' wide openings and over 180 mph for a 977WL (windlock), these are seriously strong doors. The doors are loaded with features for long life such as the EP3 coated spring, which resists rust and requires no lubrication. An optional chain hoist system allows for effortless operation for larger door openings, and extra wide felt strips on the back of the door provide smooth operation for decades. A newly redesigned windlock system (977WL) utilizes nylon locks to positively link the door curtain to the guides for greater protection during severe wind events while allowing for easy operation.

Our model 977 door was designed specifically for large door openings where an easy to use, yet cost effective door is required. These doors are the perfect solution for large Boat and RV storage units where a costly sectional door historically has been used. The pre-installed SpaceGuard latch accepts two padlocks and an optional cylinder lock. The doors are available in wide variety of standard colors all at one great price. Our state-of-the art manufacturing provides outstanding quality with a high degree of efficiency.

Trac-Rite takes customer service seriously. We are 100% employee-owned. Every employee has a vested interest in serving our customers. Whether you are interacting with one of our resellers or directly with us, you'll receive prompt responses and knowledgeable assistance.
